CURRICULUM VITAE

Damanti Sarah

Born in Bari, Italy, 18 – 05 – 1984

E-mail: sarah.damanti@hotmail.it

Education:

- **2017, March** participation to the university specialization course in clinical research “Randomized Clinical Trials” at Università degli Studi, Milan
- **2016, July**, admitted to PhD course in Nutritional Sciences, Università degli Studi, Milan
- **2016, July**, board certified-specialist in geriatrics degree of specialization in Geriatrics and Gerontology, Università degli Studi, Milan, final mark 70/70 cum laude; thesis in: “Rate versus rhythm control in older patients with atrial fibrillation: data from the REPOSI study” (Supervisor Professor Daniela Mari)
- **2016 June**, participation to the university specialization course in clinical research “EVIDENCE SYNTHESIS from systematic reviews to guidelines” at Università degli Studi, Milan
- **2013-2012**, participation to 6 months Lifelong-Learning-Programme/Erasmus Student Placements in Paris at Université Pierre et Marie Curie/Groupe hospitalier Pitié Salpêtrière-Charles Foix
- **2009/2010**, post-graduate internship at the Department of Cardiology of Milan Hospital IRCCS Ca’ Granda Policlinico directed by Professor Fabio Magrini and at the Neurointensive Care Unit of Milan Hospital IRCCS Ca’ Granda Policlinico directed by Professor Nino Stocchetti
- **2009, October**, degree in Medicine, Università degli Studi, Milan, final mark 110/110 cum laude, thesis in: "Adrenergic tone in acromegaly: direct evaluation by means of microneurography" (Supervisor Professor Francesco Cavagnini)
- **2008/2009**, undergraduate internship at Department of General Medicine – Endocrinological and Metabolical – at San Luca Hospital, Italian Auxological Institute, Milan
- **2003**, secondary school degree, specialising in scientific studies and foreign languages (*diploma di liceo scientifico sperimentale ad indirizzo linguistico*), E. Vittorini School, Milan, final mark 100/100

Professional experiences:

- **Since 2016**, Collaboration and consultancy agreement (*contratto di collaborazione coordinata e continuativa*) at Geriatric Unit, IRCCS Ca’ Granda Policlinico, Milan
- **2016, September**, achievement of the “National Diploma in Clinical Ecography” certified by the Italian Society of Ultrasonology in Medicine and Biology (SIUMB)

- **2016, March**, achievement of NIH Stroke Scale Certification
- **2015, November**, achievement of ALS - Advanced Life Support - certification IRC/ERC at Ospedale Niguarda Ca' Granda, Milan, Italy
- **2015, September- December** internship at Department of Clinical Cardiology, directed by Professor Piergiuseppe Agostoni, IRCCS Fondazione Monzino, Milan, Italy
- **2013, December**, achievement of BLS - Basic Life Support Defibrillation certification c/o IRCCS Ca' Granda Policlinico
- **2010**, pro bono physician at the Department of Internal Medicine of Milan Hospital IRCCS Ca' Granda Policlinico directed by Professor Maria Domenica Cappellini
- **2010**, assistance as family medicine substitute
- **2010**, physician in sporting medical examinations in Milan
- **2010, March**, enrolment in the Medical Register of Milan with number 41784

Academic experiences:

- **2016, October**, tutor of the residents of the Specialization School in Geriatrics and Gerontology, Università degli Studi, Milan
- **2014, November**, lecturer and assistant in the course of Internal Medicine-Geriatrics held by Professor Daniela Mari, Università degli Studi, Milan, Italy
- **2011, October/November**, lecturer and assistant in the course of Internal Medicine-Geriatrics held by Professor Daniela Mari, Università degli Studi, Milan;

Research experiences:

- **2015, February**, achievement of certificate of web-based examination "ICH-GCP in Italian" covering all aspects of Good Clinical Practice as laid down in the International Conference on Harmonisation Guidelines, the EU GCP Directives (2001/20 & 2005/28) and UK Clinical Trials Regulations 2004 (SI 1031) and amendments of 2006 and 2008

RESEARCH PROJECTS

- **2017, January**, involvement in the European Project MoveCare: Multiple-actOrs Virtual Empathic CAREgiver for the Elder (732158 — MoveCare — H2020-ICT-2016-1)
- **2016, August**, involvement in the European Project FOCUS: Frailty management Optimisation through EIP AHA Commitments and Utilisation of Stakeholders input (664367 — FOCUS — HP-PJ-2014)
- **2015, February**, involvement in the European Project MidFrail Study (HEALTH.2011.2.2.2-1)

- **Since 2012**, monitor and investigator in the “REPOSI” (Registro Politerapie SIMI) study

RESEARCH AWARDS

- **2016, December** achievement of “Fellow in Geriatrics” at 61st National Congress of the Italian Society of Geriatrics and Gerontology

REVIEWER ACTIVITY

- **2017, September**, Member of the Editorial Board of the Journal of frailty and ageing

- **2017, August** rater for the Health Information Research Unit, McMaster University: McMaster Online Rating of Evidence (MORE™) system

- **2017, July** Review Editor of the Editorial Board of Geriatric Medicine (a specialty of Frontiers in Medicine)

- **2016, June** reviewer for Annals of Clinical Case Reports

ORAL PRESENTATIONS AT NATIONAL AN INTERNATION CONGRESSES

- **2017, November**, tutor to the course “New treatment paradigms for the elderly complex patient.” by Italian Society of Internal Medicine

- **2017, November**, oral presentation “Cushing the point of view of the geriatrician” at the Congress The Cushing syndrome: a disease with many faces. IRCCS Ca’ Granda Policlinico, Milan, Italy

- **2017, April**, oral presentation “Challenges in frailty-related information use and decision making in clinical practice”, INFORMATICS FOR HEALTH 2017 Congress, Manchester, UK

- **2016, December**, tutor to the course “New treatment paradigms for the elderly complex patient.” by Italian Society of Internal Medicine

- **2015, December**, tutor to the course “New treatment paradigms for the elderly complex patient.” by Italian Society of Internal Medicine

- **2015, July**, lecturer and assistant in the course of continuing medical education "Frontotemporal lobar degeneration: phenotype & genetics" Department of Geriatrics, IRCCS Ca’ Granda Policlinico, Milan, Italy

- **2015, June**, oral presentation “Hyponatremia: the geriatrician point of view” at the “SIADH: experiences in comparison” Congress, Collage Congressi IRCCS Ca’ Granda Policlinico

- **2015, March**, lecturer and assistant in the course of continuing medical education "Diabetes and MidFrail Study" Department of Geriatrics, IRCCS Ca’ Granda Policlinico, Milan, Italy

- **2014, December**, lecturer and assistant in the course of continuing medical education "Depression in the Elderly" Department of Geriatrics, IRCCS Ca’ Granda Policlinico, Milan, Italy

- **2014, December**, tutor to the course “Introductory course for the management of the hospitalized elderly patient with polipatology and politherapy” by Italian Society of Internal Medicine

- **2013, October**, oral presentation “Neuroserpin gene expression correlates with vascular damage independently of the etiopathogenesis of dementia” at 114th National Congress of the Italian Society of Internal Medicine

- **2013, June**, lecturer and assistant in the course of continuing medical education "Plan of care and diagnosis of dementia in Lombardy" Department of Geriatrics, IRCCS Ca' Granda Policlinico, Milan, Italy

POSTER AND ABSTRACT PRESENTATIONS AT NATIONAL AND INTERNATIONAL CONGRESSES

2017, December presentation of the poster “Qualitative study on deprescribing in hospital and ambulatory specialists in Internal Medicine and Geriatrics” at the 62th National Congress of the Italian Society of Geriatrics and Gerontology

-**2017, October** presentation of the abstract “Development of the MEDICAL ATTITUDES TOWARDS DEPRESCRIBING QUESTIONNAIRE (MATD-Q)” at the 118th National Congress of the Italian Society of Internal Medicine

- **2017, August** presentation of the poster “Hyponatremia how much attention do we pay to it?” at the 16th European Congress of Internal Medicine, Milan

- **2017, August** presentation of the poster “Outcome funzionali e soddisfazione in una popolazione di soggetti anziani sottoposti ad un programma di attività motoria funzionale adattata come promozione dell'invecchiamento sano e attivo” at the 16th European Congress of Internal Medicine, Milan

- **2017, August** presentation of the poster “How psychological intervention may impact in dealing physical frailty? A study protocol of an European Project (664367 — FOCUS — HP-PJ-2014).” at the 16th European Congress of Internal Medicine, Milan

- **2017, August** presentation of the poster “Endocrine System in Successful Aging and Longevity” at the 16th European Congress of Internal Medicine, Milan

- **2015, November** presentation of the poster “Una proposta di formazione dagli specializzandi per gli specializzandi: i gruppi incognitivi” at 60th National Congress of the Italian Society of Geriatrics and Gerontology

-**2015 October**, presentation of the poster ““A very big hand is a very big problem: venous thrombosis, soft tissue infection or just an insect bite!” 116th National Congress of the Italian Society of Internal Medicine

-**2015 October**, presentation of the poster ““An acute facial edema during COPD exacerbation: the spontaneous subcutaneous emphysema does exist!” 116th National Congress of the Italian Society of Internal Medicine

- **2015, September** presentation of the poster "The Banality of Evil: error frequency in therapy assumption without medical reconciliation, a case report" at REPOSI International Seminar "*Targeting the burden of polypharmacy in the elderly*"
- **2015, September** presentation of the poster "Agreement Between Potential Drug Interactions Identified by an Electronic Tool and Clinical Judgment: INTERcheck® versus Physicians" at REPOSI International Seminar "*Targeting the burden of polypharmacy in the elderly*"
- **2014, October** presentation of the poster "Obstructive sleep apnea syndrome is associated to insulin resistance in elderly people" October 34^{èmes} Journées Annuelles de la Société Française de Gériatrie et Gérologie, Paris
- **2014, April**, presentation of the poster "Mild cognitive impairment in Fronto Temporal Dementia: a late onset case report" at 14th Congress of the Italian Society of Psychogeriatric"
- **2013, November**, presentation of the poster "Metabolic alteration in Fronto Temporal Dementia" at 58th National Congress of the Italian Society of Geriatrics and Gerontology
- **2013, October**, presentation of the poster "Obstructive sleep apnea syndrome and insulin resistance in elderly people" at 33^{èmes} Journées Annuelles de la Société Française de Gériatrie et Gérologie, Paris

Courses:

- **2017, February**, participation to the Course “Introduction to Stata”
- **2016, April**, participation to the course "From CPAP to NIV - Treatment of acute respiratory insufficiency in emergency" held by the Italian Society of Emergency Medicine (SIMEU) in Turin
- **2014, November**, participation to the course: “Echocardiography for doctors of critical area”, Luigi Sacco Hospital, Milan, Italy
- **2014, September**, participation to “Summer School: subjects of geriatrics, second edition”, Centro Studi Achille e Linda Lorenzon, Treviso, Italy
- **2014, May**, participation to the theoretical course of training in ultrasonography of SIUMB (Italian Society of Ultrasonography in Medicine and Biology)
- **2014, March**, participation to Postgraduate Course in Clinical Electrocardiography of SIMI (Italian Society of Internal Medicine)
- **2013, July**, participation to 9th European Federation of Internal Medicine (EFIM) Clinical Research Seminar, Paris

Professional memberships:

- **2016**, member of the Italian Society of Emergency Medicine (SIMEU)

- **2013**, member of the Italian Society of Geriatrics and Gerontology (SIGG)
- **2012**, member of the Italian Society of Internal Medicine (SIMI)

Languages:

- Italian (native language)
- English (very good knowledge: achievement of FCE certification in 2002; studies abroad in London in 2002, in Dublin in 2000 and in Brighton in 1999);
- French (very good knowledge: 2012-2013 Lifelong-Learning-Programme/Erasmus Student Placements in Paris at Université Pierre et Marie Curie/Groupe hospitalier Pitié Salpêtrière-Charles Foix);
- German (basic knowledge: studies abroad in Munich in 2001).
